

How to obtain your COVID PCR TEST RESULT

from Lab Corp

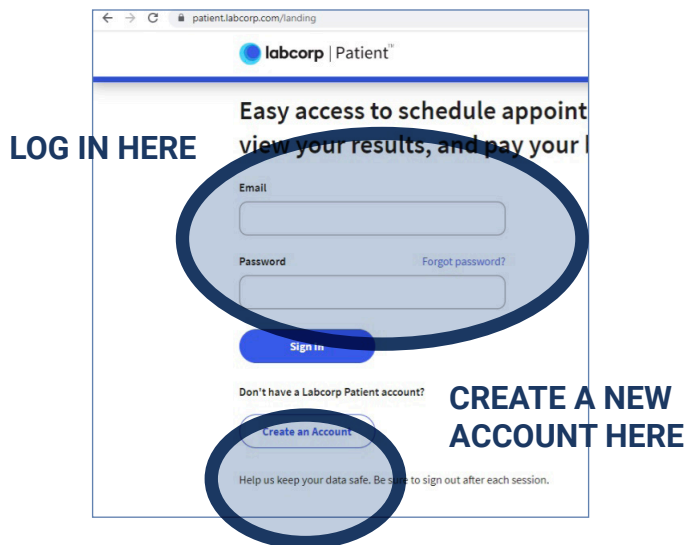

Unless otherwise discussed with your nurse/doctor/nurse practitioner, negative rapid/antigen Covid tests will be followed by a COVID PCR test. Most will be sent to Lab Corp unless you have IU health insurance.

If you had a COVID PCR test performed in our office, you will need to complete the following steps to receive your result.

We will NOT call every negative test result – if you are unable to find your results on the Lab Corp site per instructions below within 48 hours (by the end of the 2nd day after your sample was collected, please call our office.

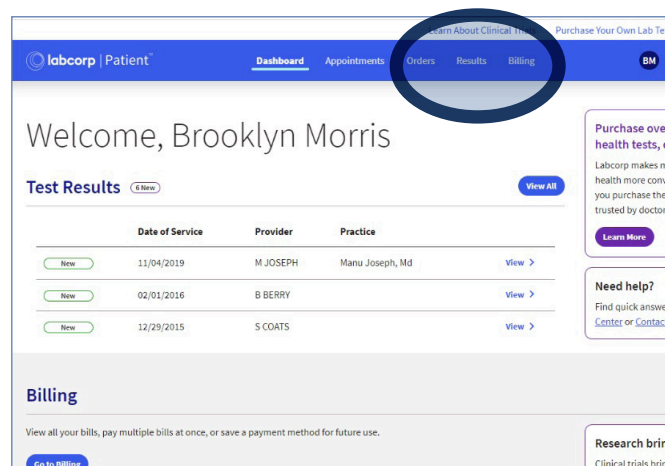

We will call you if you have a POSITIVE test result to make sure that you know the result and understand quarantine instructions and symptom management.

You should continue to isolate while you are wait on your PCR test result. Stay home away from others – If you must be around family wear a mask at all times!
